Introducing Toro's new 14-blade reel.

The lower the cut, the more risk to your turf – right? Not anymore. The Toro team has developed a reel with a higher number of blades. In conjunction with optimal reel speed, it will give you a crisper, more consistent cut especially below 2.5 mm without damaging your turf. Trust Toro to bring you the industry's first 14-blade reel for the best results on your course. **Count on it.**
